CELEBRATE FIFTY-FOUR YEARS WED

—Economist Photo

Golden years plus four were celebrated by Mr. and Mrs. Stephen McCormick Thursday, April 17, at their home, 6318 Bishop st. Mr. McCormick is 78 years old and his wife is 74.

The couple were married at Athens, Pa., fifty-four years ago and came to Chicago that same year. With nearly all of their married life spent in the city, they have lived in this community for the past twenty-eight years. For twenty-two years their home was at 60th pl. and Princeton ave., and the past six years have been spent at the present address.

They are the parents of seven children, only one of whom is still living, Daniel McCormick of Mooseheart, Ill. A grandson, Edwin McCormick, has been raised by his grandparents.

Welfare Station Serves 770 in Eleven Months

When the station at Ogden Park conducted by the Southtown Infant Welfare association completed its eleventh month Monday the number of babies registered there for examination and care had reached a total of 770.

Comparison with the number of registrations during the two years and two months that the station had been in operation prior to the time it was taken over by the Southtown association last May indicate the increasing service being given to the community. During the twenty-six months the total registration was 1,013, and the highest number in attendance at a single conference was 59. At present there are over 60 at every conference, and the number has gone as high as 82.

"And the best part of the work," said Mrs. Charles H. Brown, superintendent, "is the fact that while our registrations are mounting, the total number of babies we have lost still remains three. That makes a mortality rate of between ½ and ⅓ of 1 per cent."

The station's reputation for service is such that, although the policy is to confine efforts to the Southtown district, from Garfield and State south and west, station attendants have been forced to turn away as many as ten mothers, living as far north as 43rd st., at one conference. There are thirty-five babies registered from districts as far west as Chicago Lawn, and three from Morgan Park. With probably ten who live as far south as 81st st., it is estimated that about 200 of the station registrants are from homes south of 74th st.

The "Two J's"

"We do the station is not only saving lives, but is teaching the doctrine of brotherly love, as well," said Mrs. Brown and told, to substantiate her claim, the story of the "Two J's."

John and Joseph are healthy little twin brothers each weighing ten pounds—now. Born on Christmas day, which witnessed the death of their mother, they were tiny three-pound mites of humanity that required medical care in a hospital if they were to live. All the while they were in the hospital the mother's milk, which had to be fed to them with a medicine dropper, was collected from different homes each day, at the cost of great difficulty, by a mother whose own baby had been brought back to health at the Ogden Park station.

When the twins were able to leave the hospital this same mother took them into her home, together with the 18 months old baby of the same family, and is rearing them along with her own child, although the father of the children is able to provide only limited recompense for her services. All four children are regular station visitors.

Make 700 Garments

The sewing circle of the association, which has made and contributed over 700 garments for the cause, meets every Thursday at the station. The women usually come about 10 o'clock, and anyone interested in the work is cordially welcome to attend and assist. Sandwiches are brought by the workers for lunch, and tea and coffee are made at the Field house.

Conferences are held each Monday and Thursday, beginning at 12 o'clock. The physician in charge, Dr. Katherine Mayer, seldom leaves before 3:30 o'clock. On conference days, Mrs. Brown and her assistant, Mrs. Mabel Jegen, usually reach the station at 9:30 o'clock in order to have everything in readiness for the mothers who arrive early.

It is to assist this work, which is financed solely by individual and organizations contributions from the community, that the show, under the auspices of the West Englewood Lions club, is to be given May 12, 13, 14, and 15 at the Columbus theater.

HI-Y MEMBERS HOLD SUCCESSFUL ANNUAL CONFERENCE SATURDAY

116 BOYS TALK VOCATIONS WITH BUSINESS MEN. "CHUCK" PALMER SPEAKS

An informal thirty minute chat with a successful member of the profession he longs to enter, a friendly mingling with 116 other boys also glimpsing their future calling through the eyes of those who have reached the top, the consumption of a hearty supper, and the hearing of several gifted speakers. Such was the program of the boy attendant the fifth annual Older Boys' conference, held Saturday afternoon and evening in the Ogden Park M. E. church, under the auspices of Southtown Hi-Y clubs.

Because of inclement weather fewer attended than at some previous conferences, but enthusiasm was high. Three schools were about equally represented, Englewood, Parker, and Lindblom, with a goodly number from Calumet and much school spirit was manifested.

The quartet from the Y. M. C. A. college sang several numbers. Some were new, some were old, and some were extra popular. The latter did not spare the dignity of the toastmaster, the Rev. C. C. Travis, of the First Englewood M. E. church. However he was still laughing himself when he stood up to introduce "Chuck" Palmer, football and baseball coach at Englewood high.

In his address "Chuck" asked the boys to take advantage of their youth by selecting the career they are most interested in, in order that they may devote all their time and energy to winning success in it. He told them to find their friends in good books, and not on street corners, but also to seek the friendship in high school and university, with those men and boys who stand for truth, honor, and sincerity.

Maturin Bay, 6821 Normal blvd., a student at Parker high, was elected president of the Older Boys' Conference for the year 1924. The entire body then moved upstairs to the church auditorium to hear Boyd L. Walker, state boys' secretary of the Y. M. C. A., speak on "Life: How Shall I Use It?"

"What you believe to the point of action determines your character, not what you give assent to but what you live. Do not fear to stand out for what you believe is right because some insignificant two-by-four points a finger of scorn at you. Know you are right and then go ahead, but do not forget that service to your fellow men is greater than money.

"Once when Lincoln was reproached for exhausting himself receiving hundreds of unimportant visitors at the White House each day he replied, 'I like to know that I have plucked a thorn and planted a rose wherever a flower would grow.' Take that for your motto." This was the message of Mr. Walker.

McGARR AND BARRY ON WELCOMING COMMITTEE

Catholic laymen of West Englewood will be represented at Cardinal Mundelein's home-coming reception in New York by Frank McGarr, president of the West Englewood Business District association, and Edward C. Barry, cashier and vice president of the West Englewood Trust and Savings bank.

They will leave May 7 for New York and will make the trip there in company with other laymen, and church dignitaries. Their appointment was made by D. F. Kelly, chairman of a committee of 100 laymen, who are making plans for the new cardinal's welcome, when he lands in New York, and for his arrival in Chicago at 3:10 o'clock, daylight saving time, May 11, at the 63rd and Leavitt sts. B. and O. station.

Parishioners of St. Rita's church are expected to be one hundred per cent in attendance at the parade in honor of the homecoming of the newly created Chicago cardinal.

Children of St. Rita's school also are to be well represented and will be present with the various sisters who instruct them in their class rooms. The Women's and Men's sodalities of the church will have a delegation present, according to the Rev. Father James F. Green, pastor. The people of St. Rita's church will form in a line on 55th st., at a cross street not yet specified.

SYMPATHETIC CROWDS HEAR LEAVY FUNERAL

Fireman Caught Under Falling Wall in West Side Disaster

Reverently borne by six of his comrades from Engine Company, No. 107, the body of Francis X. Leavy, one of the firemen victims of the Curran hall fire disaster, was carried from his home at 6507 Whipple st. Monday morning. Deputations of firemen from every company in the city paid their last respects to a fellow fireman as they stood with uncovered heads bowed, while the casket was being placed in the hearse.

Sympathy was evidenced by the throng that crowded the streets and sidewalks in front of the home, as the widow, attended on either side by members of her family, left the house and entered her carriage.

St. Rita's church was filled with friends and relatives of the dead fireman, and there too were hundreds who came, attracted by the manner of his death. Everywhere throughout the church there were fireman of every rank. Solemn requiem high mass was celebrated by the Rev. J. J. McCabe. Interment was at Mt. Olivet.

It was last June that Fireman Leavy bought the home at 6507 Whipple st. He, his wife, his daughter, June 7, and son, Eugene, 2, took immediate possession. He has been working industriously ever since improving the place and building a garage. On Thursday he spaded his grounds, and on Saturday, his next day home, under the double platoon system, he intended to plant grass. But Saturday never came for him.

His company was one of the many to respond to the call from the Curran hall building Friday night. With several other firemen he entered the place, and was on the second floor when an order was shouted for everybody to come out. He and Thomas Kelly, of the same company, were going down the fire escape when the wall toppled and buried them in the wreckage. Both were dead when rescuers reached them. By some freak of chance Leavy's features were not marred though all the other bodies were hardly recognizable.

Fireman Leavy was 37 years old. He had been a member of the fire department for twelve years. In November, 1923, he was invalided home for a few days for injuries received at a fire. His widow and two children will receive the $5,000 given by the city in monthly payments to the families of its fire and police heroes, who are killed while on duty. He was also a member of the Fireman's Mutual Benefit association.

Among the heroes at the fire was Timothy Keough, 36 years old, 1259 W. 73rd st., a member of Squad No. 1, who, after receiving a gash across the top of his head that required six stitches to close, refused to go home but within three hours was back at the scene digging through the debris to rescue the injured.

While at the rescue work soon after the wall fell, Keough was struck by a brick from the part of the wall that remained. He was taken to a nearby physician and the wound treated. He refused offers to take him to his home and insisted that he should go back and give any assistance that he could. Keough has been a member of the department for thirteen years.

LINDBLOM STUDENTS CLEAN VACANT LOT

Captained by Arthur Gunther, who heads the student self government body at Lindblom high school, a squad of boys from that institution this week attacked and cleared away a large pile of rubbish in a vacant lot almost opposite the high school.

Papers, and other refuse were burned by the boys, who had donned overalls and were equipped with wheel barrows and rakes and shovels. The ground was levelled off by the workers and mounds of ashes that had made the place unsightly were hauled away. The work was done by the youths as part of their neighborhood "Clean-Up, Paint-Up" campaign.

$1,000 WORTH OF APPAREL IS TAKEN IN STORE ROBBERY

DOOR GLASS BROKEN BUT RESIDENTS ABOVE STORE DO NOT WAKEN

Complete stocks of hosiery, men's shirts, neckties and other articles of wearing apparel were taken by burglars who robbed Ryan and Clifton's Dry Goods store at 2432 W. 59th st., Monday night.

The glass was broken in the front door of the establishment by the thieves in gaining entrance, but Mrs. Florence Ryan, a partner in the business, who lives above the store, was not awakened by the crash.

The amount of stock taken leads the police to believe that the burglars used an auto to haul away the loot. The loss is estimated at $1,000.

VIRGINIA PEGRAM IS GIRLS' PRINCIPAL AT LINDBLOM HIGH

GIRLS HOLD ASSEMBLY, EDIT PAPER AND TEACH CLASSES DURING WEEK

Instructors and executives at Lindblom high school were replaced by young women students today, Thursday, as a part of the "Girls' Week" program being carried out there. Harry Keeler yielded his place as principal to Miss Virginia Pegram, a senior scholar, and his assistant, William Bowlin, delegated his duties to Miss Mary Sjostrom, also of the senior class. Dorothy French occupied the office of Miss Mary E. Courtney, dean of girls.

Part of their responsibilities includes presiding at the girls' assembly this afternoon, in the capacity of principal and dean. The lives of great women of history will be discussed at the assembly. Following that session, tea will be served to Miss Courtney, Mr. Bowlin, and Mr. Keeler, and to several senior class instructors, by girl students. They will play hostesses in the reception room adjoining the dean's office.

Teachers are resigning their classes to the care of girl instructors today, during all of the eleven periods. The girl teacher is chosen by the class of which she is a member.

Great women of the old Roman period were studied in the class usually devoted to high school Latin. Miss Lily Klinenberg, a member of one of the history classes, was the choice of her fellow class members as teacher. She presided at a debate on the subject of "Resolved: Girls' Week' is Important." Girl students upheld the affirmative side of the question and boys argued against the importance of the "Girls' Week" innovation.

Fresh flowers have been placed in the main corridor each day of the week by Miss Mary E. Courtney, who has co-operated with the girl students in giving feminine touches to the halls and reception room.

Posters illustrating girls' activities were designed and executed by the school art department. Several of the pictures illustrated "Grandma as a Girl" and "Girls of Today."

Editorial contributions to the Lindblom Weekly, the school publication, were from girls and a girl, Miss Louise Parker, was tendered the portfolio of editor by the regular chief, Ralph McComb.

Girls filled the offices of the city government organization, and a girl mayor was appointed to head that body.

Mrs. Holyburton was taken to the Englewood hospital where it is said that her injuries are not serious.

SKULL FRACTURE KILLS OFFICER HIT BY AUTO

Refuses to go to Hospital; Fearful of Shock to Wife

Fearful that the knowledge that he was injured in an automobile accident might worry his wife, who is soon to be a mother, Officer Daniel Donovan of the Englewood police station refused to go to a hospital and receive medical attention, after he had been struck by a car at Garfield blvd. and Robey st. Friday night. The following morning he was found dead in bed in his home at 5519 Winchester ave.

Donovan was struck by a car driven by Leslie A. Watson, 520 Lake st., Oak Park. Watson took him to the German Deaconess hospital, but when he arrived there Donovan, believing his injuries were not serious, refused to go in. He requested to be taken to a physician. Watson then drove to the office of Dr. C. J. Phillips, 301 Garfield blvd., who dressed the lacerations the officer had received on his hand and leg.

Donovan then returned to his home, but that evening, according to his wife, he acted peculiarly and appeared to be dizzy. When she inquired what was wrong he assured her that nothing had happened and that he would be all right in the morning.

He went to bed early and the following morning Mrs. Donovan heard him fall to the floor. She ran to his room and found him dead. A physician was called and he diagnosed the death as due to poisoning.

The Englewood police were notified and City Physician Joseph Springer was sent to the home. Dr. Springer made an examination and discovered that Donovan had been suffering from a fractured skull.

Detectives were assigned to the case and in one of Donovan's pockets they found Watson's card. Watson was taken into custody and he admitted striking the officer. He was charged with manslaughter. The inquest was continued to Wednesday. Watson will be arraigned in the Grand Crossing court Thursday morning.

The funeral was held from the home at 9 o'clock Tuesday morning to St. Basil's church, where high mass was celebrated. Interment was at Mt. Olivet.

SAY MOST DISEASES DUE TO IMPROPER HANDLING OF DIET

FOODS GENERALLY LACK NECESSARY CHEMICALS FOR DIGESTION, LIONS TOLD

Cancer, poor teeth, asthma and nearly every disease can be attributed to the lack of the necessary chemical elements in our food, Paul O. Sampson of the American Health Institute told the West Englewood Lions, speaking at the regular weekly meeting of the club, Thursday.

"In most of the foods we eat calcium, potassium, sodium and iodine, four necessary chemical elements in digestion, are lacking," Mr. Sampson stated. "Without these our food is improperly digested. Indigestion causes an irritation of the stomach wall, which is the cause of ulcer and these later develop into cancers. Sixty-five per cent of the people have stomach trouble and one out of eight persons over forty years old dies of cancer. This is because a greater part of their diet is made up of meat, peeled potatoes, bread and similar foodstuffs that do not contain the necessary chemicals.

"The body must have in its composition a certain percentage of calcium and when this is not obtained from the food it is drawn from the teeth, weakening them and making it easy for decay to start. Asthma is a nervous condition, and experiments with rats and guinea pigs has proven that when they are improperly fed they are nervous and subject to a similar condition."

John Nord acted as toastmaster.

President William Peak will take the chair at this week's meeting and John Hertel will give the three minute talk. Richard DeKoker will furnish the silent booster.

YOUNG PIRATES TAKE 6 YEAR OLD'S WHEEL

The incident was reported to police, but no trace has been found of the wheel, which was highly prized by the boy as it was the gift of his grandmother, who is now dead. His mother, Mrs. T. Best, states that a liberal reward awaits anyone who can give information that will lead to the bicycle's recovery.

He now operates a car on 69th st.

MAN MURDERS WIFE AT 74TH AND ASHLAND

Police Prevent Violence On Part of Enraged Witnesses

Relatives of Mrs. Gertrude Potenza attempted to mob Fred Potenza, the husband who shot and killed her at 74th and Ashland Tuesday noon, when he was brought into Hienen's undertaking rooms, 7003 Racine ave., where the inquest was held Wednesday afternoon. Police, who had Potenza in custody, pulled off Andrew Kasprzak, 4819 Wood st., the father of the murdered woman, and Stanley and Frank Kasprzak, brothers, when they started to assault the prisoner. During the inquest, at which he was held to the grand jury for murder, Potenza was kept guarded in an anteroom of the undertaking establishment.

This was the second time Potenza barely escaped mob violence. Scores of factory and shop workers pursued him when he attempted to escape after he shot his wife and seriously wounded his sister-in-law, Mrs. Tillie Hauner, after they alighted from a street car at 74th st. and Ashland ave., Tuesday.

The couple had been fighting in the morning and it was to escape violence from her husband that Mrs. Potenza, the mother of two children, was fleeing the neighborhood in company with her sister.

Police from the Englewood and Gresham stations responded to witnesses' telephone calls and arrived on the scene shortly after the woman was killed. The slayer had tossed his gun into a vacant lot and had tried to hide in a car parked at the curb near 7400 Ashland ave. He was crouched there in fear of the crowd when officers appeared.

Bystanders told James J. Best, a policeman from Englewood station, that the two women got off one street car and the husband, who had been riding on a car just behind them, also alighted at 74th and Ashland. He saw the sisters together and shot his wife through the chest. She fell to the pavement, mortally wounded, and died within a few minutes. Her sister was shot in the back and rushed to her home in car of a witness. At the German Deaconess hospital, where she was later taken, it is said she will recover.

Potenza, when taken into custody by the police, said he shot her because she was trying to break up his family.

Neighbors tell a different story. The couple had but recently moved into the neighborhood. They lived in a home which Mrs. Potenza's parents owned. Mrs. Mary Novak, 5164 Robey st., whose husband keeps the Robey Perfect Dairy, was the only person well acquainted with the dead woman. She said the dead woman's family had interfered only to save Mrs. Potenza from her husband's brutality.

"So he did kill her," said she, when informed by the Southtown Economist of Mrs. Potenza's death. "Poor thing! She came to my house this morning to hide from him after he had beaten her while she was doing the washing. She said he had tried to get a gun from the house.

"Her clothes were soiled from housework and she asked me for a nickel to phone her mother that her man was beating her. I loaned her my hat and my fur cape. She told me Potenza had that morning burned up her new shoes and coat she had worked two weeks to earn, and was hateful toward the children, Antoinette and Rosie, the baby."

Mrs. Potenza wanted to go to her mother's home to hide when she saw her husband coming down the alley toward Winchester ave. One of her two children, who are 6 and 3 years old, was at the mother's house. She left the Novak dwelling and proceeded to her parent's abode and was joined there by the sister who was also a victim of the shooting. They were about to seek police protection when Potenza confronted them.

FAMILY BOASTS FIVE LIVING GENERATIONS

She was a bride at 14 and is now the great great grandmother of two children, Ruth Traynor, aged 3, and the son born to Mr. and Mrs. Matt Traynor, 1617 W. 65th st., April 8.

Mrs. Russell lives at 7437 Princeton ave., and is the mother of Mrs. J. R. Dansley of that address. Mrs. Dansley was a great grandmother at the age of 57 years, and had been married when she was 17 years old. Her son, E. J. Dansley, 322 W. 71st st., aged 45 years, married when he was but 20 years old. His daughter, Mrs. Traynor, a bride at 19, is the mother of the two children representing the family's fifth generation.

The truck overturned and was pushed along for more than fifteen feet into the path of a west bound street car. This car crashed into the truck, wedging it between the two cars and demolishing it. Dierick's miraculously escaped injury.

He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city.
—Proverbs XVI, 32.

'T LOOKS LIKE AN ACTIVE PARK BOARD

Approval last week of a $5,000,000 bond issue for the restoration of the Columbian Fine Arts building in Jackson park by the South Park board is the occasion for much rejoicing on the part of those east side organizations and individuals who have been working earnestly for the project. The whole of Chicago should feel gratified that first steps have been taken for the perpetuation of the remarkable example of classic architecture. The action is occasion for self congratulation on the part of Southtown; our community spirit is of vital importance, but local interest should not blind our eyes to benefits to the city at large in which we equally share.

Last week's meeting is of direct interest to our district in that it indicates the calibre of the newly organized board and something regarding their methods of handling business. On a proposition that has been repeatedly delayed, action was taken.

In the matter of boulevarding South Park ave., which has been occasion for much agitation, a definite proposition was made.

We seem to have a parks board that will handle questions with promptness. It is a point of no small importance.

SHOULD SUPPORT COMMUNITY WORK

A community betterment organization, doing effective work for the upbuilding of the community and managed by a community committee, is peculiarly worthy of the support of the community. Such an organization is the Southtown Infant Welfare association, which maintains a station in Ogden park field house at 65th and Racine. West Englewood should be especially interested in the activities at the station, for it was largely through the enterprise and public spirit of men and women in this community that the present organization was established. With Dr. F. G. Moore as president, a large number of those who are actively interested in furthering the work of the association are West Englewood people.

The Ogden park station is unique in that it is managed and financed entirely by local men and women, with methods of service worked out on a basis calculated to best serve the peculiar needs of the community. The station has made a very excellent record since its organization a little less than a year ago, and has vindicated its establishment on the community basis on which it is now operated.

Too much stress cannot be laid upon the importance of infant welfare work. The babies of today will be the men and women of tomorrow and their vitality and capability of meeting life's problems will materially affect national life. In many homes the need for outside help and instruction in child rearing is great. The accomplishments of infant welfare work in Chicago in the decrease of child mortality and the general betterment of health are all that is necessary to prove its importance to the future of the city.

Although financed solely by the community, very little appeal has been made to the general public to aid in supporting the work of the Southtown Infant Welfare association. Through the support of business and civic organizations, woman's clubs, churches, the mothers who come to the station, and the fact that much of the service has been volunteered, the work has been carried on. The benefit performance to be given May 12 to 15 at the Columbus theater provides an opportunity for you and me to do our bit.

"PAINT UP—CLEAN UP" YES, BUT STAY CLEAN

Monday opened the annual "Paint Up—Clean Up" campaign conducted through co-operation of high school students of the city and the Chicago Association of Commerce. Local students are busy enlisting support for their efforts at civic betterment. The garden committee of the Englewood Woman's club is urging our interest in "National Garden Week," which opened Sunday. It is all very worthy work.

"Spring cleaning" is an admirable—and, in some households, highly essential—institution. But have you ever noticed how fleeting are the effects of it in an untidy family abode?

So with a civic community. It is a perpetual aspect of cleanliness which we should strive for, a changed attitude toward our surroundings that will require us to keep them more attractive than heretofore. Let us co-operate to the limit of our ability in the schools' thirteen day campaign, then let's get the habit and keep our community clean.

DON'T MAR THE LANDSCAPE

When a representative of a local branch of the Woman's City club came into our office the other day to tell us of that organization's efforts to prevent political advertising from adorning places where municipal law says advertising shall not be, we said, "We are strong for you. Pre-primary advertising has left its mark, but perhaps, if they continue their efforts, the good women can get some sentiment started against the complete disfigurement of the landscape during the coming hot campaign months.

According to figures the women furnish, the city spent over $5,000 scraping posters from city property following the November 7 elections. "Just prior to an election, candidates invariably violate Ordinance No. 177, not only disfiguring every available place throughout the city, thus demonstrating an entire lack of civic pride, but disregarding entirely the spirit of the City Beautiful plan," reads in part a resolution they have sent to Chief of Police Collins and to various candidates.

The protest brings up the entire question of outdoor advertising. Extremely valuable from the standpoint of effectiveness, the most aesthetic cannot hope to eliminate it entirely, and yet innumerable unsightly billboards and wall decorations must go before we can hope to attain the "Chicago Beautiful."

AT THE CHURCHES

Ogden Park Methodist Church, corner 68th and Loomis sts., Rev. Albert Bauman, pastor, 6755 Bishop st., Republic 2006. Bauman, "The Final Appearances of Jesus." 6:45, Epworth league, leader, George Smallman. 8 p. m., evening service, sermon by the pastor, theme, "Purgatory vs. the Intermediate State." Helpful messages, inspiring music, good fellowship.

Easter Sunday was a great day at Ogden Park. There was a large addition to the church membership. The Easter cantata by the choir, given at night, by the unanimous request of the congregation, is to be repeated on the night of May 4.

Dr. Travis is pastor of our First Church of Englewood and is very popular with our people. He successful. About fifteen adults and should have a large hearing.

Our Easter services were especially twenty-five children came to the front seeking membership in the church. Eleven infants were presented for baptism. In addition to the usual offering, a liberal special offering was made to current expense. The quartet, which favored us at the vesper service, was very good.

Mt. Carmel C. M. E. Church, corner 62nd and Ada sts., Rev. Prentis A. Bryson, pastor. Unusual crowds were present at five services last Sunday on the Easter occasion. The pastor preached in the morning on "Our Blessed Assurance." The Sunday school exercises were at 3 p. m., the Epworth League at 6:30 p. m., and our Adult choir with Prof. J. Glenn as chorister presented Handel's cantata on "Victory" at 7:30 p. m. Next Sunday the Rev. Drexel Park Presbyterian Church, 64th st. and Marshfield ave., Rev. Clinton C. Cox, minister. Services, April 27, 11 a. m., "After Easter, What? Back to Drudgery?"; 7:45, "The Spiritual Interpretation of House Cleaning." Every man and woman urged to hear this sermon. A copy of Foss' "Spring Cleaning" will be given to each one attending. A dramatic setting of "The Sinner and the Song" will be one of the special musical settings. The church with real help. A real welcome. Come and worship with us.

The communion service at Drexel Park church Friday night, the 18th, was one of the most impressive services ever held in the church. A three cross service in a darkened church with a spot light was very beautiful. The largest class ever received was welcomed into the church—a group of 155. 167 was on the list but sickness and other things kept the others away. The Easter services were largely attended, many being turned away at the morning service. At both other services the house was filled to capacity.

An elaborate program has been planned, under the direction of Mrs. Charles S. Clark, 7130 Princeton ave., for the public opening to be held Thursday evening.

The Euterpean club, composed of thirty men of Morgan park and Beverly Hills, will sing. Henry Kuehne is president of the organization and Edward Clissold, musical director.

In addition, musical numbers will be provided by the chorus of the Morgan Park Woman's club, of which Miss Nelle Swartout is musical director. The chorus, composed of about twenty women, will be attired in old fashioned costumes, nearly all of them heirlooms in the families of the individual wearers. The costumes are in the fashion of civil war times and earlier periods. A quartet, composed of Mrs. Charles H. Smith, Mrs. Benjamin W. Hooper, Mrs. George E. Gale, Mrs. George H. Billings, with Mrs. Benjamin R. Coleman as accompanist, will sing special numbers.

One of the songs will be illustrated by a group of Oakhaven auxiliary members in costume. They will be Mrs. Albert Beath, Mrs. Ralph Goble, Mrs. Foster S. Nims, Mrs. Frank Banister, Mrs. Carroll L. Frank.

TO LAY CORNERSTONE FOR WIDOW'S HOME

Daughters of Veterans and members of other organizations affiliated with the Grand Army of the Republic have been especially urged to attend the ceremonies to take place in connection with the laying of the cornerstone of the new Maywood Home for Soldiers' widows. The institution is being erected at Third ave. and 1st st., Maywood, Ill., and will be in charge of Mary A. White, superintendent of the present home at 140 S. 5th ave., in Maywood.

The cornerstone will be placed at 3 o'clock next Sunday afternoon and a large crowd is expected to witness the event. An excellent program is being arranged. Maywood clergymen made addresses when ground for the new home was broken Sunday afternoon, April 5, in the presence of a large representation from various Maywood and Englewood patriotic organizations.

Mrs. Lizzie A. Field, 5704 Normal blvd., is president of the Maywood Home for Soldiers' widows. The new institution will be ready for occupancy September 1.

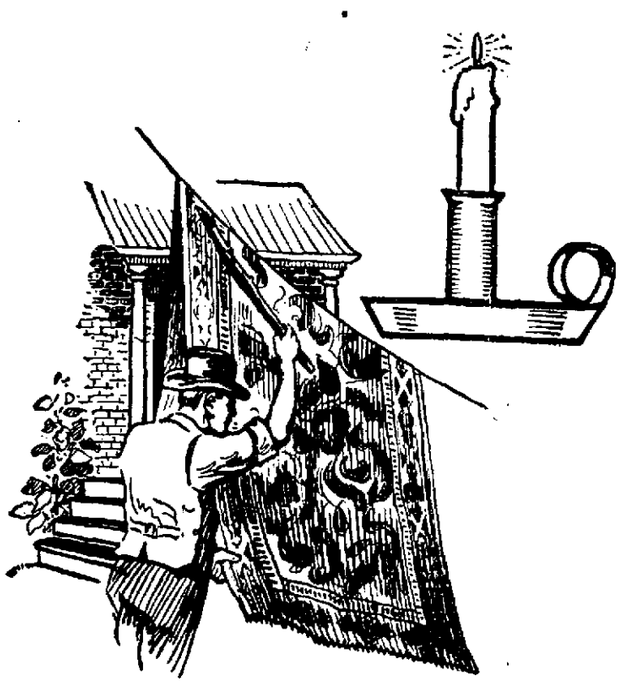
NEW LIGHT ON CARPET CLEANING
By the Cleaner---Naphtha or Steam Process



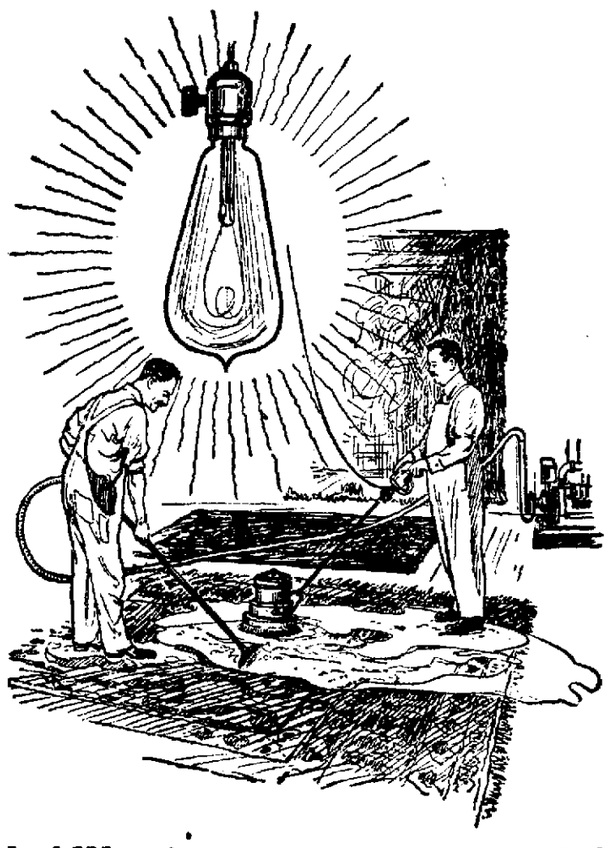
THE good old days had many bad old ways as every properly aged grandfather will attest. In the days when candles dripped more tallow than they shed light, carpet beating took the place of carpet CLEANING. Just as the incandescent lamp marks advancement in lighting, so our Naphtha or Steam Process marks the great forward stride in cleaning carpets and rugs.

Dust, dirt and microbes are born companions. Wherever one is, all are. They settle in carpets and rugs and increase their kind. They can be disturbed but not removed by sweeping and beating. Baptism of water is the only thing to wash their foulness away. Naphtha or steam do this—and more. They remove all dirt and disease germs that the dirt harbors. They restore faded colors, lift and straighten the nap of heavy rugs, loosen and remove sharp grit that grates and grinds the life out of floor coverings.

Our Process Does Your Carpets Good
We Guarantee It Cannot Do Them Harm

Our methods are caretaking methods. They are as harmless as they are thorough. Clean water, pure soap, a soft electric brush, a vacuum cleaner, these and experienced operators do the work that saves you work.

Let us Naphtha or Steam your Rugs. It will Cost you Little. It will pay you Big.



Our estimators will gladly call and figure your spring rug, drape, portieres and upholstered furniture cleaning for you without any obligation to you.

MORGAN LOSES TO LINDBLOM IN PRACTICE

West Englewood Nine Clouts Shamiatis' Offerings Freely

Scoring in every one of the six innings, Lindblom high's baseball team swamped Morgan Park, 14 to 4, in a practice game at Hamilton park Friday morning.

Shamiatis, who went the full route while Edwards, the regular hurler, covered the outfield, was freely hit by the West Englewood squad. Fifteen clouts were made off his slants and four of these were stretched into extra bases. Young and Smejkal both got doubles, while Slazos poled out a triple and Lewandowski made a homer. Shamiatis struck out only four Lindblomites and issued six walks.

Of the five hits that Morgan made not one was more than a single. Eunson had little difficulty with his opponents, fanning twelve and giving out only four passes.

After Lindblom had gained a decisive margin Coach Farmer sent most of his squad from the bench in for a workout and they continued to swat and score as heavily as did their mates.

LINDBLOM AWAITING CHANCE TO REDEEM VICTORY OF PHILLIPS

HYDE PARK AND HARRISON TILTS POSTPONED: PURPLE ON CARD TODAY

Still suffering from their 7 to 1 setback at the hands of Tilden, Lindblom is anxiously awaiting a chance to get into action and redeem themselves for this one-sided defeat. Failure of the schedule committee to take into account Good Friday when they framed the bookings interfered with the local schools combat against Hyde Park and rain caused the postponement of the battle with Harrison, Monday.

Wednesday was an open date at White City and J. R. Burke, director of athletics, attempted to arrange with either of the schools to play off the postponed game but they refused to do so on such short notice.

To prevent the postponed games from piling up at the end of the regular schedule and thus delaying the play in the finals, efforts will be made to play off the games during the spring vacation. This is hard to arrange, however, as a number of the boys work on the days they do not have school and they are unable to come out for play.

Englewood, which has been having things all its own way in the central section, having swamped Hyde Park, 15 to 5, and mowed down Tilden, 13 to 4, is Lindblom's opponent today at White City and the maroon and gold athletes will have to put up a hard fight if they expect to make an even break out of their two league starts.

Lindblom has not shown much heavy hitting ability except in the game with Morgan Park and it is doubtful if the local nine would have been able to run up such a large score if Edwards, Coach Davenport's regular, had been used on the mound.

LARSONS WIN SOUTH SIDE LEAGUE HONORS

Larsons finished first by a ten game margin in the final standings of the South Side league that ended their bowling season at Bruck's alleys last week. Standings among both the teams and the individuals remained the same as they have for the past few weeks.

Lord's five landed second place and the Berghaus five came in a poor third. Estavers landed the fourth berth and thirteen games behind them the Morange's were a poor fifth. McCormack's were next in line and the Palms finished only two games above the Phyles, who were in the cellar.

Out of the Rough

By Fred S. Clisbee

Article 12

Of all the faults one can be afflicted with in the game of golf the slice is by far the worst, the real robber of distance and a consistent trouble setter. A slice is the ball which curves to the right and on the courses it seems all the traps, long grass, and out of bounds be in waiting for the sliced ball. Most of the golfers slice and while some of the skilled players play this shot to an advantage, it is best for the average player to leave the practice alone. He generally gets a straight ball when he allows for a slice and gets in trouble on the other side of the course.

A slice results from the face of the club drawing across the ball on the hit through the ball going from right to left, which puts a spin on the ball revolving to the right.

Many things can be done by a player to cause this action. While the results of the slices are almost identical still the cause of them may be entirely different. Therefore, it is very hard to effect a cure without personal observation.

If you slice, your stance is more or less faulty and if you are an inaccurate slicer and have been for some time it would be best to put yourself under some instructor, who will give you competent advice and assistance in correcting your particular fault. Advice from other players as a rule is confined to faults that appear on the surface. In almost every instance I can assure you the cause is deeper than the surface and is the result of one or more faults.

One of the best suggestions I can offer a slicer is to take a stance in the regular manner and if possible, assume the mental attitude while addressing the ball that you have never sliced a ball in your life. Take the club back smoothly, watching the ball during the entire back swing. When you have completed your pivot and the shaft of the club rests in a horizontal position at the top instead of swinging down in the usual manner, direct the swing of the hands and arms to bring the club follow in the same path on a line that would hit the ball to the right. In other words, concentrate in your down stroke to hit the slice you are getting. This may not prove a success on your first trial but you will find it getting results in a short time.

(Questions pertaining to any phase of the game will be answered in this column by Mr. Clisbee, who is a professional, if addressed to him in care of the Southtown Economist).

BIRK'S STILL AHEAD IN BRUCK'S LEAGUE

Birk's Beverage five maintained their lead in Bruck's league last week by taking all their three games from the W. C. Bootery team, but the Woodlawns continued to press them close by also making a clean sweep. Only two more weeks of play remain and the two teams will put up a hard fight before the honors are finally decided.

The Ernie's Lunchroom quintet, who were previously tied for third place with the Royal Sales fell down to fourth when they only won one of their games from the Garfields while the Royals made it two out of three from Al Carr's.

PURPLE ROMPS OVER TILDEN TECH, 13 TO 4

Perlman Driven from Mound in Fifth as Victors Hit Stride

After the first inning in which they scored four runs, Tilden was unable to gain a single tally and they were humbled, 13 to 4, by Englewood at White City Thursday and the Purple made it two straight in the prep league race.

Perlman pitched a fairly good brand of ball in the first three innings for Tilden although Englewood had scored a run in the first inning when Joyce drove out a triple with Richardson on first, but in the fourth frame the Tech hurler began to blow up. With two out, he hit Dahl with a pitched ball, walked Monahan, and then hit Kovinsky with a wild pitch to fill the bases. No runs were scored as Richardson made the final out when he drove out a fly to Freis in right field.

Against the fast weakening effectiveness of Perlman, Englewood hit their stride and had things all their own way in the fifth frame. Joyce singled and Shutt flied out to first. Perlman hit Rosenthal with a pitched ball and then Davis clouted out a two bagger to drive in two runs. Goodman singled and Dahl drove out a triple to score him. Dahl romped home when Monahan made a two bagger. Kobrinsky got a hit but both he and Monahan remained marooned when Perlman struck out Richardson and Joyce was put out on a short infield grounder.

Engelund was sent in, relieving Perlman in the sixth inning, but he was no better and in this round the Purple put across three runs and rounded out the score with four more in the last inning, when Goodman made a homer with two men on the sacks and Monahan tripled to drive in Dahl.

DAN HOEPLER HEADS "BARNYARD GOLFERS"

At the annual election of officers Sunday, April 20, the Ogden Park Horseshoe club elected Dan Hoefler president; Herman Simmons, vice-president, George Stone, secretary and treasurer.

Johnny Hogan, the state champion, was present and gave an exhibition of what he could do with horseshoes. In the local tournament Mr. Brooks won first place with a total of 152 points, Mr. Simmons second with 142 points, and Cy Meyers third with 132 points.

GYM DEMONSTRATION AT SHERMAN PARK

A gymnasium demonstration will be given by Miss Jean Kohrumel and James L. Springer, gymnasium instructors, next Saturday evening at Sherman Park. The program will consist of drills, games, dances, and a barrel light, those taking part being the patrons of the two gymnasiums during the past winter.

As an added feature, the Sherman Park director has procured Miss Velma Singer, a professional toe dancer, of Wheaton, Ill., who will dance several numbers at the end of the regular program. Miss Ruth Inman a professional pianist, will accompany Miss Singer during the dances. Miss Inman will also render some pianologues during the evening.

Stirrell Hanson's orchestra will play both during the program and for the informal dance, which will take place after Miss Singer's program. Admission will be by ticket only. The tickets are now being distributed by the two gymnasium instructors and the park director.

ST. RITA WINS SECOND GAME FROM DE PAUL

Stretch Six Timely Hits Into Seven Runs for Victory

Stretching six hits into seven runs, St. Rita made it two straight in the Catholic league race Tuesday by trouncing De Paul, 7 to 4, on the latter's diamond.

Every one of the winners' half dozen bingles figured in the scoring. Feehery and Cranley both clouted out two hits off the offerings of McGlenn, the north side hurler, and each got doubles at opportune moments. St. Rita got started in the second frame when Cranly knocked out his two bagger with a couple of his mates on the runways and then he was driven home when Enright singled. They continued to score during the next three innings but were blanked in the last two frames.

McGlenn caused nine St. Rita batsmen to fan and issued only four walks. Jedlam was nicked for four hits, only one of which went further than first, and he walked five and struck out four.

St. Patrick's nine will visit St. Rita Friday in the third league encounter.

BOYS ORGANIZE KITE CLUB AT OGDEN PARK

A boys' kite club was organized at Ogden park Saturday afternoon. F. T. Turner, the men's gym instructor, is directing the club and the class meets every Saturday afternoon. The kites made will be used in the tournaments to be held later on.

International Boys' Olympics at Ogden Park

Ogden Park has been chosen as the location for the International Boys' Olympics, of which the South Park division contest will be held at 2 o'clock next Saturday afternoon.

There will be four events, a 60 meter dash, pull ups, running broad jump, and a baseball throw.

V. K. Brown, superintendent of the South Parks division of playgrounds and sports, will be in charge of Saturday's contests, together with a corps of judges and starters who are to be appointed.

Saturday will witness the holding of contests in the other park divisions of the city and, probably the following Saturday, the city contests between winners of the various division meets will match their skill and strength. These events will also be held at Ogden Park.

Similar Olympics are being held in other cities of the United States and foreign countries and records established by Chicago boys will be compared with those made in other cities to determine the international champions.

May—And did you have a good time on your camping trip?

Fay—Rather! First chance I have ever had to complain of my husband's cooking.—Life.

FULFORD, RELEASED BY PHILLIES, SIGNS WITH BLUE RIDGE LEAGUE

GOOD REPORTS HEARD OF SOUTHTOWN BOYS IN "PRO" CIRCLES

Glowing reports are heard from Southtown baseball stars who are making bids for honors in professional circles.

Clarence "Husk" Fulford, former Calumet high star, who played with the Rainbows in the Craftsman league as pitcher and first baseman, and who made an enviable record while with one of the leading teams in the Wisconsin State league last year, is reported to have signed a contract with the Hagerstown, Md., team in the Blue Ridge league.

Fulford was given a tryout with the Philadelphia Nationals but illness prevented him from showing up at his best and he was farmed out at his option to either Hattiesburg, Miss. in the Cotton States' league or the Orland team in the Florida State league. He refused to take either of these offers and was given an unconditional release under the same terms of $300 a month and a quarter of his purchase price that governed his first two offers.

Fulford got into action during the Phillies last week of practice at Leesburg, Fla., and gained considerable mention from the Philadelphia Press, which prophesied a good future for him if he was able to put on more weight.

Offers have come to Fulford from the Joliet Rivals, who were formerly members of the Midwest league, and from the Valparaiso team, where "Buck" Weaver, former Sox star, plays third.

MAKE FINAL PLANS FOR FOURTH DISTRICT LEGION CONVENTION

ENGLEWOOD "WRECKING CREW" WILL INITIATE HUNDRED OR MORE "ROOKIES"

Arrangements have been completed for the reception of legion men of the fourth district next Friday by Englewood Post No. 61, according to the reception committee of which Walter E. Troesch is chairman.

Response of Englewood business men to requests for assistance have been generous and the Englewood men are planning a thorough going affair.

The greatest gathering of World War men in Englewood since 1917 and '18 is what the host post expects to make the evening. The fourth district is bounded on the north by Garfield blvd., on the east by State st. and extends forty miles south and west.

Sessions will be conducted in the Legion hall of the Englewood Business college, 735-741 Englewood ave. The local post's hall can accommodate 500, but if attendance should exceed that figure the committee will hold an option on a theater nearby to take care of an overflow. Admission will be by cards and proper credentials only.

The program includes mounting of colors, ritual, music by the O'Leary Novelty orchestra, a business session, obligation of candidates, initiation and "eats."

Englewood Post has a "wrecking crew" that they claim is without equal in the district, who will perform the "post mortem" for one hundred or more rookies if reports from the district are correct. The crew is generaled by C. R. Edrington.

The Ladies' auxiliary Unit of Englewood post will handle refreshments at the "zero hour." The general committee for the convention, besides Mr. Troesch is as follows: Mr. Edrington, Fred Elinga, Dr. S. Wall, Herbert Kesser and Dr. Daniel Gordon.
